Dear Director,

1. Continuing the ANAC's Initial Maintenance Organization certification process, requested through [ref. 1] by **COMAV TECHNICAL SERVICES, LLC**, as provided for in IS Instruction No. 145-002, I inform you that the documentary evidence presented was considered sufficient to close the pending presented during the process.
2. Thus, I forward to you the Maintenance Organization Certificate COM No. **2104-03/ANAC** (Annex 1) issued for **COMAV TECHNICAL SERVICES, LLC** and its respective Operations Specifications (Annex 2).
3. In addition to the process, this Technical Management informs that the maintenance organization **COMAV TECHNICAL SERVICES, LLC** - COM No. 2104-03/ANAC has been registered **Mr CRAIG GARRICK** as **Accountable Manager**.

- 3.1. This registration will remain valid as long as the applicable requirements of RBAC 145 are being met, or until the closure of registrations is requested, or if the organization's articles of incorporation are revoked or modified.
- 3.2. If the contractual relationship with the maintenance organization is terminated, the registered professional must communicate his/her disengagement from the company to ANAC within 10 (ten) business days. Likewise, the maintenance organization will have a regulatory period of 30 (thirty) days, counting from the knowledge of the professional's untying, to request the ANAC to register a new RT, which will be subject to the administrative sanctions provided for by Law in case of non-compliance with the deadline.
4. Additionally, I inform that the **BRAZILIAN SUPPLEMENT TO MAINTENANCE ORGANIZATION MANUALS Rev. 1, dated 02/15/2019** (Prot. SEI 5832427) was considered ACCEPTED, according to sections 145.209 and 145.211 of the RBAC 145. The **TRAINING PROGRAM, Rev. C, dated 1/27/2014** (Prot. SEI 5832451), was considered APPROVED, according to section 145.163 of the RBAC 145.
- 4.1. I clarify that these acceptances/approval are not definitive, as the procedures described must be updated whenever there are changes in legislation or as a result of subsequent analysis carried out during a technical audit to verify the compliance of procedures.
- 4.2. It is noteworthy that any procedures established in the MOM, MCQ or PTr that oppose the requirements of current legislation are null and void, as they do not meet one of its main objectives, which is to demonstrate how to comply with these requirements.
- 4.3. Considering that the **BRAZILIAN SUPPLEMENT TO MAINTENANCE ORGANIZATION MANUALS** must be known to all professionals involved, this company must implement training aimed at familiarizing themselves with these manuals, as well as established in the Training Program.
5. It was considered ACCEPTED, according to RBAC 145.214-I(b)(1), the **SAFETY MANAGEMENT MANUAL (MGSO), Rev. X dated 10/08/2020** (Prot. SEI 5832436). In this way, the company will be able to proceed with the implementation process of the aforementioned Operational Safety Management System. During this phase the O.M. must also apply initial personnel training, and complete the description of the operational environment and SGSO diagnosis, according to IS 145-214-001 (appendix C).
6. This process can be accompanied by the applicant or his legal representative through the SEI system (<https://www.gov.br/anac/pt-br/sistemas/protocolo-eletronico-sei>), if necessary, requesting a view of the documents that are protected pursuant to Law No. 12,527 (Access to Information Law) by the Citizen Information Service – SIC (<https://www.gov.br/anac/pt-br/aceso-a-informacao/servico-de-informacoes-ao-citizen-sic>).
